

VESSEL

Let us think.

New

Wire Stripper with Thread Cutter

Made in Japan

No.3500E-3 / 3500E-4

True circle shape. No damage on wires

Fully hardened special steel blade

Different colors adopted for instant awareness of holding position

Thread cutters for small screws or bolts

Cushion grip

Strip Properly

High precision and high quality wire stripping

Applications: Various electric wires, cords, and cables (IV, KV, VSF, VA etc.)

True circle is a Key

Plier for bending or pulling wires

Sharp wire cutter

No damage on wires even if the blades are firmly closed

Truly round circle by highly precise grinding with CNB grindstones. The bore diameters are designed to be appropriate so that the blade edges don't get contact with the wires (the Japanese or UL standard wires).

Thread length cutter of small screws or bolts (for M3/M4)

Can cut the screw thread to make the length shorter. Good for circuit board fixing during electronic component assembly.

* Not good for stainless steel screws or quench hardened screws.

Anti-drop cord can be attached

Actual Size

Crimped pivot

Smooth operation and gripping. Large-scale rivet pin, with little gap between itself and the pin hole, are crimped with uniform pressure from each side.

This enables to use long with comfort without stiffness or wobble around the pivot.

Different colors adopted for instant awareness of holding position

with conversion table for AWG, mm, and mm²

Cushion grip

Applicable wire sizes

	AWG	12	14	16	18	20	22	24
3500E-3	Core wire dia. (mm)	2.0	1.6	1.3	1.0	0.8	0.65	0.5
	Nominal cross-section dia. (mm)	3.3	2.0	1.3	0.8	0.5	0.3	0.2
3500E-4	AWG	18	20	22	24	26	28	30
	Core wire dia. (mm)	1.0	0.8	0.65	0.5	0.4	0.3	0.25
	Nominal cross-section dia. (mm)	0.8	0.5	0.3	0.2	0.13	0.08	0.05

* Some Teflon wires are not suitable.

Wire Stripper with Thread Cutter

Model No.	Overall length (mm)	Weight (g)	Color	Inner Ctn.	Outer Ctn.	EDP No.
3500E-3	163	107	Red / Black	5	30	141013
3500E-4	163	107	Yellow / Black	5	30	141014

Cardboard size: 220x75x13mm

Caution

- Confirm the appropriate applications, size, and way of use before use.
- Be careful of the electric short circuit and electric shock.
- Wear protective glasses during use.
- Don't keep this product where children can reach.
- Be careful of dropping of the product by pulling it forcibly while an anti-drop cord is attached.
- Do not use the attachment hole for the anti-drop cord in the following cases: when the product received an excessive shock once; when any defect, deformation, or quality change are detected; or when the product is used under extremely high or low temperature.
